- Please refer to The Arc's Accounts Payable Calendar for invoice due dates and payment dates.
- Invoices should be submitted promptly for payment; invoices for services older than 11 months cannot be processed.

Best Practices

- Please do not email the vendor or compliance inboxes with inquiries. They are strictly for receipt of invoices and compliance materials.
- For initial submissions, invoices and compliance materials cannot be submitted through the ticketing system.
- Place a customer service ticket for the status of an invoice payment or question about an invoice submission.
- Vendors can check Bill to see the status of their payment. Please ensure your vendor has reviewed their Bill account before placing a ticket.
- Vendors must manage the latest direct deposit and address information on file to help keep their Bill accounts current.
